## Join Us Online

Tuesday, November 10th

*Time to be announced*

This virtual event will include: updates from the  
Commissioner, special guests, auction and raffles.

While COVID-19 has postponed this year's golf outing we wanted to bring our loyal supporters and friends together for a virtual event filled with golf stories or tall tales, updates from Commissioner Thiel, surprise appearances by area celebrities and an online auction. Our annual golf outings are a major source of revenue for Fireman's Hall Museum and we need your support to help us continue our programming through this pandemic. We'll be having an online awards ceremony on **Tuesday, November 10th**.

There is still an opportunity to golf for those who wish and compete for awards. To enter the competition we ask that all golfers play the course at Westover Country Club, take photos during tour round and submit them along with a digital copy of your score card. If you decide to golf in this event you are voluntarily assuming all risks related to exposure to COVID-19. We ask that you complete your golfing sometime between **September 15th and October 22nd**.
