- 4.1 Recently Local 22 was contacted by members stating they were solicited by the Office of the Assistant Chief's to submit recommendations for a 5% percent departmental budget cut. President Bresnan reached out to Commissioner Thiel and he stated there is no current requirement for the PFD to make/plan a 5% budget cut in Fiscal years 2020 or 2021. Therefore, if a superior officer demands a response for a recommendation, we suggest NO budget cut recommendations as stated by Car 1 to Local 22 as your response.
- 4.2 We have distributed Aqua Chempacs disinfectant boxes to most Firehouses now. These boxes include 4 spray bottles to dissolve the multiple cleaning packs enclosed. Please follow the enclosed instructions. These boxes were distributed by Local 22 to provide extra or supplemental cleaning disinfectant for our members.
- 4.3 We also have a supply of hand sanitizers and PPE on order to include N-95 masks, surgical masks, and face shields for our members. We hope to have these supplies out to firehouses shortly.
- 4.4 As always please take all necessary precautions to protect yourself and your families. Also, document everything and let your executive board know if you need anything.
