NET PAY ISSUES and DEFERRED COMP DEDUCTIONS

43.1 We have been informed by the city that there was an issue in this week's payroll related to the OnePhilly payroll system that may have affected approximately 614 members and shortened their NET pay amount.

We advise all members to review their pay statement as soon as possible to check if their NET pay is short and by how much and email: info@iaff22.org make the subject line read:
NET PAY ISSUE

Please provide your name, payroll, and amount of your NET pay was short.

The city stated it may take 2 to 4 weeks for members pay to be corrected. We find this unacceptable and have a request to see if the city can correct the affected members immediately. We are also actively exploring legal action over the issue with our lawyers.

We will send out another union gram as soon as we receive any new information. In the meantime, please spread the word amongst your brothers and sisters to make sure their NET pay is correct,
