

# Local 22 HEALTH PLAN Medical Ultrasound Screening

**TO:** ACTIVE MEMBERS of Local 22 Health Plan

**FROM:** Kathleen M. Corcoran & Jerry Kots

**RE:** Medical Ultrasound Screening Event

**DATE:** June 7<sup>th</sup> –June 11<sup>th</sup> 2021

As a result of our continued commitment to the Health and Wellness of our members, Local 22 Health Plan is hosting an Ultrasound Screening starting Monday, June 7<sup>th</sup> and running through June 11<sup>th</sup>, this event will take place at Local 22, 415 N.5<sup>th</sup> Street, Philadelphia, PA, 19123-4095. ***This offering is currently for Active members only who did not participate in the 2019 screenings.***

## ***Why should you participate in the Heart-Vascular and Cancer Ultrasound Screening?***

**First**, early detection of any cardiovascular issues is crucial for preventing a serious health crisis. Unfortunately, doctors are usually unable to prescribe diagnostic tests without symptoms. A Heart and Vascular *screen tests for plaque build-up on the artery walls, blockages or restrictions in blood flow and indicates signs of potential strokes, heart attacks or aneurysms.*

**Second**, our health screen partner, National Diagnostic Services, is the *only mobile screening company in the nation that is a certified cardiovascular lab.* They are also the only provider from whom you will receive a comprehensive evaluation of the major abdominal organs to detect serious illnesses such as cancers, tumors and blood clots.

**All tests are ultrasound based and therefore painless, and non-invasive. Tests include an Echocardiogram, Carotid, Abdominal Aorta, Thyroid, Liver, Spleen, Bladder, Kidney, and Testicular. This screen also includes an Exterior Pelvic scan for females. The examination will take approximately 30 min to complete.**

## **Pre-registration is required. To schedule your appointment:**
